ry Inch of the Bates Steel Mule is Thoroughbred

Inited States Government by means of the Depart. Agriculture, has been looking into the tractor quesits bulletins clearly proves that the satisfied tractor on who say that the tractor has paid—are men who BETTER CLASS of tractors. The successful man ed years ago that he can't get something for nothing. n. The reason the BATES STEEL MULE costs more is worth more. Skilled factory procedure, quality on and the most modern Machinery enables us to save t every turn, yet the BATES STEEL MULE cost gore in the beginning to build but considerably less in run to own. It's just another case where a seemingly riced article is far cheapest to own when you come to

Bates thoroughbred quality comes not from mere out from what's put into it. Every part that goes to the BATES STEEL Mule is put there by long field e. There isn't a part that isn't time-tried and tested. 't a part that experience hasn't dictated the shape of; and in it all there isn't one superfluous part, nor that isn't capable of standing up under twice the gets in actual use. These are things experience and ave distracted. The BATES comes to you as a fulfilyour desire for a tractor that will endure. Price is pay for a thing. Value is what we get out of it. Conir tractor from what you will get out of it, consider y working days you have when the ground is wet, the operations where you cannot afford to pack your and consider how constantly and economically they performed even in rush times, you will then see why ES STEEL MULE is the biggest value offered in any n the American market today.
